

2018/2019 School Year

Dear Parents and Community Members,

We are pleased to offer you this opportunity to be a vital part of the York Athletic Booster Club. **The York Athletic Boosters is a parent volunteer organization that raises funds to support the York High School Athletic Department with the items and equipment that are above and beyond the norm provided by the school district. We need your support to make this happen!**

The Boosters raise funds through memberships, advertisement programs, sales of York Dukes apparel, football game barbeques and our

annual February fundraiser - Green Scene. Please save the date of February 24, 2018 to join us at this exciting event at Fitz's Spare Keys

Boosters have supported York students in every sport for over 35 years. Last year, the York Athletic Boosters raised over **\$84,000** last year. These funds were used for coach's equipment requests that are above and beyond what the district provides as well as other item such as, but not limited to, new scoreboards at the Baseball and Softball Fields, indoor electronic scoreboards, the light pole spirit banners in the main parking lot and annually supports various tournaments.

Whether you have a student athlete at YHS, you are an alumni parent, or you just love YHS sports, we encourage you become a member of YHS Athletic Booster club. Your membership along with your time and talents are greatly needed to continue the Athletic Booster Club's goal of enriching our sports program at York. There are different levels to choose from with the Dukes Den and Century Club memberships being the best value. These include personalized family passes for ten or six family members respectively, that are good for every regular season home game. These passes also allow you to bypass the long lines and enter thru the Student/Booster entrance for any regular season home sporting event! All club membership proceeds go directly to the Athletic Booster's and subsequently the athletic programs, rather than the district. Patron and Friends memberships are also available.

The details are outlined on the second page of this letter or visit:
