

YORK MUSIC BOOSTERS  
GRANT PROGRAM 2020-2021

York Music Boosters is pleased to offer grants to musicians currently enrolled in a York High School music program. These grants are intended to provide financial support for music students who wish to pursue additional enrichment opportunities above and beyond the set curriculum.

**THE GRANT:** The amount awarded will be determined by the nature of the application, the total number of applicants and the current year grant budget. Please note that most individual grant awards do not exceed \$100 – and can either cover a partial or full reimbursement of costs.

**ELIGIBILITY:** Any student(s) currently enrolled in a York High School music class may request a grant for purposes outlined below. Students may apply for individual grants, or as an ensemble or group.

Note that these are guidelines and examples and are not intended to be a complete list. Each grant will be reviewed for appropriateness by the York Music Directors and the YMB organization.

**ELIGIBLE:**

- Music for ensembles or solo performances
- Master classes or other non-private-lesson educational class
- Recording opportunities
- Concerts
- Short-term coverage for new/alternate instrument instruction

**INELIGIBLE:**

- Private Lessons
- Instrument or instrument-accessory purchases
- Uniforms or other ensemble attire

Note – Summer camp programs are not eligible for grant dollars. Students wishing to enroll in a music summer camp should apply under the YMB Summer Camp Scholarship program.

**APPLICATION:** Applications must be completed in full and returned to the student's music director. Applications will be accepted throughout the school year and will be considered on a first-come, first-served basis until the budget has been exhausted. Status of grant applications will be provided within approximately two weeks of submission. Due to the nature of the program, please note that actual payment of the grant can only be made when proof of qualifying purchase/receipt of payment is provided.
